Vesess Alpha supports university students in Sri Lanka to take on a coding challenge of their choice. Successful applicants are awarded grants of Rs. 100,000 to work on their projects for 3 months under the guidance and mentorship of the Vesess team. We accept applications from both individuals and teams of up to 3 members. The grants come with no strings attached. The true value of Vesess Alpha is in the opportunity to learn from our designers, engineers and business leaders who have bootstrapped Vesess for 14 years.
